ASIF HUSSAIN

FULL-STACK WEB & APP DEVELOPER

📞 +91 9548428362   📍 New Delhi, 110025, India   ✉ ah5113527@gmail.com

ABOUT ME

Versatile and results-driven App and Web Developer with a focus on creating responsive web applications and cross-platform mobile apps using React, React Native, and modern JavaScript frameworks. Skilled in building intuitive user interfaces, integrating APIs, and optimizing performance for seamless user experiences. Strong problem-solving mindset with a passion for clean, maintainable code and a commitment to delivering scalable digital solutions that meet real-world business needs.

EDUCATION

2023 - 2025
Jamia Millia Islamia

Diploma in Computer Engineering
Studied core concepts of programming, web and mobile development, databases, and networking. Gained practical experience through hands-on projects and real-world problem-solving

2022 - 2023
St. Aloysius College

10th
Successfully completed 10th grade with a strong academic foundation in mathematics, science, and computer basics. Built essential problem-solving, communication, and analytical skills during this stage.

INTERNSHIPS

2025
Centre for Innovation and Entrepreneurship

AWS Cloud Computing
Gained hands-on experience with core AWS services like EC2, S3, and Lambda. Learned cloud deployment, infrastructure setup, and basic security practices in real-world environments.

2025
Maaz InfoTech Pvt Ltd

App Development
Worked on developing and testing mobile applications using React Native. Gained hands-on experience in UI design, API integration, and app performance optimization. Collaborated with developers to build user-friendly, cross-platform mobile apps.
